Delightful class, incredibly organized
and interesting information.
- Her personal insight from the language
research lab made the information
valid and interesting.

WONDERFUL!

Clearly defined lectures

Easy to follow

Learned more than I realized
because Prof. explained topics well

Excellent teacher. Loved her spirit and loved her energy. She made many difficult topics very simple, and fun to learn.

By far, Professor Graves has been the best professor I've had. She makes time for her students and helps them in areas that they are struggling in. She is a fair teacher and I've had enjoyed her class.
